

CV for Assistant Prof. Arunothai Jampeetong, Ph.D.

Present position

Asst. professor of Botany at Department of Biology, Faculty of Science, Chiang Mai University, Thailand.

Appointments

NATIONAL

Member of the Botanical Society under the Royal Patronage of Her Majesty the Queen and The Botanical Garden Organization, 2012-present.

INTERNATIONAL

-

Supervision

Since 2009, main supervisor for 16 BSc (special project) student, 8 MSc thesis students, 2 PhD student and co-supervisor for 4 PhD students.

Teaching

Lecturer in general biology, plant taxonomy, plant morphology, plant anatomy, aquatic plant, economic botany, industrial botany and forensic botany.

Research

KEY WORDS

Plant morphology & anatomy, ecophysiology of aquatic plant, plant nutrition, nitrogen uptake

CURRENT PROJECTS

Effects of wastewater on root structure and radial oxygen loss from roots of four selected tropical wetland plants

Autecology of Selaginellata mariscina (P. Beauv.) Spring in Thailand for conservation and utilization.

Publications

Since 2008, I have produced thirty four scientific contributions. Twenty-five of these have been published in international journals (peer reviewed journals). H-index: 9, no. of citations: 356.
